

14 February 2024

**Dear Parents and Parent Liaisons,**

**RE- Year 3-6 Health Program (New Dates)**

**Year 6- The Journey of Human Reproduction (60 minutes session)**

**Program description-** The Journey of Human Reproduction, **expands on previous reproduction knowledge** to help students identify the social, emotional, physical and legal consequences of sex, whilst also exploring the process of conception, foetal development and birth.

Further information about Year 5 and 6 programs can be found via the pre- recorded webinar from Life Education below;
